

APPLICATION FORM FOR GRANTS

1. GENERAL

The Parish Council provides limited amounts of Grants to local organisations to help their funding and projects. The amounts awarded are solely at the Council's discretion, and all claims should be received by the Council by 30 November for awards in the following financial year (commencing 1 April). Therefore if you wish to claim for a Grant for the year commencing 1 April 2024 it must be with the Clerk to the Council by 30 November 2023.

There are stricter rules which apply should your organisation want more than £250 in any financial year.

All applications should be accompanied by a copy of your organisation's latest financial statement/accounts.

If you want to claim over £250 it will be necessary for you (or a colleague) to discuss the application with PC members at a meeting to be held in either December or January each year, which should include an agreement with the PC
